

# torkscrew™

## KEEPING THE TIMELESS ELEGANCE OF TRADITIONAL WINE PRESENTATION ALIVE

The presentation of screw cap wine bottles has been challenging at both tableside and in tasting rooms. According to the New York Times, by 2014, 75% of wines in the U.S. will be sealed with screw caps. With TorkScrew™, BellaSvago's new screw cap wine opener, presentation issues become a thing of the past.

## TORKSCREW—AN ABSOLUTE VALUE

- All in one—easily opens any bottled beverage
- Wholesale, reseller and wine industry pricing available
- The perfect tool for uncorking Champagne
- Satisfaction guaranteed—five year warranty

.....

*“The TorkScrew is one of the most versatile wine openers that I’ve ever had the pleasure of using. We see the TorkScrew as a valuable tool to engage with our customers and support our mission to eliminate the negative perception of screw cap wines.”*

**Screw cap wine opener, corkscrew & foil cutter**
